

0.5HP Low Noise Air Tools

LA-200
Low Noise Air Die Grinder

- The LA-200 Die Grinder is suitable for many automotive and industrial high speed grinding applications. The grinder can be used to clean dies, rotors, backing plates and brake pad mounts.
- Grind valve seats, dress welds and enlarge holes.
- Can use with 1/4"(6mm) or 1/8" (3mm) grinding.

*Packing: 12PCS/9/9.8KGS/0.8'

LA-200AL
Low Noise 3" Air Extension Die Grinder

- Extension Die Grinder is designed for high speed grinding and polishing in hard-to-reach areas.
- Features an extended reach of 3".
- By using 1/4"(6mm) or 1/8" (3mm) grinding accessories, the grinder can be used in a wide range of grinding and polishing applications.

*Packing: 12PCS/12/13KGS/1.1'

LA-210
Low Noise Air Angle Die Grinder

- The LA-210 & LA-2115 Angle Die Grinders are ideal for high speed grinding and polishing.
- It can be used in finishing dies and metal molds, smoothing and shaping sheet metal and cast iron, weld finishing and other high speed polishing applications.
- Can use with 1/4"(6mm) or 1/8" (3mm) grinding accessories.

*Packing: 12PCS/11/12KGS/0.8'

LA-245A (2,600RPM)
LA-265A (3,600RPM)
Low Speed, Low Noise Air Die Grinder

- In-Line Die Grinder is designed for low speed application.
- Can use with 1/4"(6mm) or 1/8" (3mm) grinding accessories.

*Packing: 12PCS/11.5/12.1KGS/1.1'

LA-200L
Low Noise 5" Air Extension Die Grinder

- Extension Die Grinder is designed for high speed grinding and polishing in hard-to-reach areas.
- Features an extended reach of 5".
- By using 1/4"(6mm) or 1/8" (3mm) grinding accessories, the grinder can be used in a wide range of grinding and polishing applications.

*Packing: 12PCS/12/13KGS/1.1'

LA-2115
Low Noise 115° Air Angle Die Grinder

- The LA-210 & LA-2115 Angle Die Grinders are ideal for high speed grinding and polishing.
- It can be used in finishing dies and metal molds, smoothing and shaping sheet metal and cast iron, weld finishing and other high speed polishing applications.
- Can use with 1/4"(6mm) or 1/8" (3mm) grinding accessories.

*Packing: 12PCS/10.8/11.8KGS/0.8'

0.5HP Low Noise Air Tools

LA-230
Low Noise 2" Air Angle Grinder

- The Angle Grinder features versatile application for grinding, including depressed disc.

*Packing: 12PCS/11.5/12.4KGS/1.5'

LA-250
Low Noise Air Cutter

- The 3" Cutter is ideal for a wide range of cutting applications.

*Packing: 12PCS/12/13KGS/1.5'

LA-700 Low Noise 3/8" Air Ratchet Wrench
LA-705 Low Noise 1/2" Air Ratchet Wrench

- The LA-700 and LA-705 Air Ratchets are rugged, variable speed, reversible air ratchets.
- It's paddle-style trigger provides better speed control and the polyurethane handle helps maintain temperature and insulate vibration.
- Unique ratchet head design insures the wrench free of failure.

*Packing: 12PCS/15/16KGS/1.1'

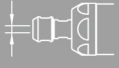

LA-231A
Low Noise 2" Angle Sander

- Includes locking-type pad (3" diameter and 2" diameter).
- The Angle Sander is ideal for all types of sanding on small areas.

*Packing: 12PCS/10.3/11.3KGS/0.8'

0.5HP Low Noise Air Tools

LA-225

Low Noise 3/8" 90° Angle Air Drill

- The Angle Air Drill is ideal for drilling applications of restricted areas.
- The powerful air motor provides high power output and stall torque resistance.

*Packing:12PCS/14.8/15.4KGS/0.8'

LA-260 (2,600RPM)

LA-2603 (3,600RPM)

Low Noise Air Eraser

- Smart Eraser is designed for every user to get rid of any kind of marks on the plastic plate or painted surface.
- The user can do the removal very fast and clear without any damages on the surface.
- The original painting will as like the original.

*Packing:12PCS/12/13KGS/1.1'

LA-245 (2,600RPM)

LA-265 (3,600RPM)

Low Noise 3/8" Air Drill

- In-Line Drill is designed for low speed/ high torque applications, such as drilling, sanding, and polishing.
- Keyless chuck comes with both LA-245 and LA-265.

Packing:12PCS/11.5/12.1KGS/1.1'

LA-270

Low Noise Air Tire Buffer

- The Tire Buffer is ideal for general purpose tire buffering.
- Featuring high power and stall torque resistance makes the tire buffering easy and efficient.

*Packing:12PCS/11.6/12.6KGS/1.1'

LA-245P (2,600RPM)

LA-265P (3,600RPM)

Low Noise 3/8" Air Drill

- In-Line Drill is designed for low speed/ high torque applications, such as drilling, sanding, and polishing.
- Key chuck comes with both LA-245P and LA-265P.

*Packing:12PCS/13/14KGS/1.1'

LA-272

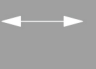

Low Noise Air Tire Buffer

- The Tire Buffer is ideal for general purpose tire buffering.
- Featuring high power and stall torque resistance makes the tire buffering easy and efficient.

*Packing:12PCS/12/13KGS/1.1'

0.5HP Low Noise Air Tools

LA-300

Low Noise Air Metal Shear

- The LA-300 Air Shear is ideal for the trimming, outlining and shearing of various sheet.
- The heavy-duty cutting blades make clean cut in cold rolled steel up to 18-gauge.
- The shear is ideal for body shop, sheet metal shop, and machine shop.

*Packing:12PCS/15/16KGS/1.1'

LA-310

Low Noise Air Scissors

- The LA-310 Air Scissors is ideal for contour snip.
- The heavy duty blades make quick and clean snip.
- The scissors is ideal for body shop and machine shop.

*Packing:12PCS/15/16KGS/1.1'

LA-350

Low Noise Air Nibbler

- The LA-350 Air Nibbler is ideal for nibbling plastic, tin aluminum up to 14-gauge and rolled steel up to 18-gauge.
- The nibbler is capable of cutting 5.5mm in radius with accuracy and without distorted edges.

*Packing:12PCS/13/14KGS/0.8'

LA-226

Angle Sander / Polisher

- Thrust Bearing For High Loading Application
- Complete Range Of Optional Adaptors Providing Versatile Application
- Pinion Needle Bearing Lasting Longer
